How to Play

Categories:

There are seven categories on the board:

Dogma & Theology

People & Places

Bible Trivia

History & Tradition

Rituals, Objects & The Mass

Player's Choice

Indulgence! [Free Roll]

The Rules:

1. All players will begin play on the "Starting Line". Select which player will roll the dice first and which order the other players will roll.
2. Player 1 will roll the dice: Move the game piece forward to the corresponding category square from the number of spaces on the dice (example: If a 3 is rolled, move forward 3 squares from the "Start" line).
3. Another player will then read a question from the category in which Player 1 has landed:
 - If answered correctly, Player 1 will roll the dice, move forward, and will be asked another question.

- If answered incorrectly, Player 1 will remain in that category square, and the turn will then be passed to Player 2, who will roll the dice.

Optional: A 30-second time piece may be used to pressure the player to answer the question in a timely manner.

4. The first player to reach the “Finish Line” is the winner.

Special Category Squares:

Players Choice:

If a player lands on the purple question mark, they are free to choose a question from any category they like.

Indulgence! (Treasury of Merit):

If a player lands on the “Treasury of Merit” square, they are able to immediately roll the dice again to spring forward even further.
